ORDER

09 Civ. 10392 (RMB)(KNF)

The defendants made an application for an enlargement, by sixty (60) days, of the time for the parties to complete expert discovery. The plaintiff does not oppose the application. Therefore, the application is granted. The defendants also applied to the Court for an order directing the plaintiff to appear for, and submit to, an examination, pursuant to Fed. R. Civ. P. 35. According to the defendants, the plaintiff has demanded that they "pay for [her] travel from California to New York and for her lodging accommodations while in New York" for the examination. The plaintiff must attend the Fed. R. Civ. P. 35 examination in New York at her own expense. The parties shall confer in order to determine a mutually convenient date for the examination. Should the parties be unable to agree upon a date, they should advise the Court and the Court will select a date for the examination.
